## GIVING TO GOD

from Michael Day

We, the church, are commissioned to serve the Lord in all our ways, this includes our finances as well. Money is the second most mentioned topic in scriptures, over 2300 times. It's safe to say the Lord considers it pretty important.

Even though God promises us blessing through our tithing (Malachi 3:10) this giving is not for God's benefit, our heavenly Father who created everything from nothing, has need of nothing. Nor is this for the local churches benefit, though we prosper as a family through tithing.

Tithing is one of God's tools of instruction he uses to teach us how to keep him first in all things. Giving unselfishly from a genuine heart revitalizes God's grace within us and works to increase our faith. It also works hand in hand with our transformation. Unselfish people make better spouses, friends, relatives, employees and employers. God is trying to teach us to prosper in all our ways through our giving. This is how we get included in our churches growth, it is in fact an act of worship.

This is all part of our faith, how can we truly say we have faith in God and not trust him to take care of us through our tithes?

You say you can't afford to tithe? Let me tell you friend, you can't afford not to!
