GIVING TO GOD

from Joe Holman

In the book of Malachi, God urged his people to be committed in their giving. He instructed them to bring a fully prescribed offering and through their faithful giving they would also have, in abundance, all they needed. "Test me in this, and see if I will not throw open the floodgates of heaven and pour out so much blessing that there will not be room enough to store it." - Malachi 3:10(b)

Giving is important to God. Not because he He needs our money, God is not poor. But God desires for us to be more like Him, and that happens when we are generous in our giving, as He is generous in giving.

When we're giving to God, we're expressing our thanks to God for our past, present, and future. We're thankful for all He's done for us, helping support the things He's at work in currently, and trusting in His provision for our coming days.

As we consider all that God has given us, let's grow in our giving to God.
