GIVING TO GOD

From Michael Day:

As disciples of the Messiah Jesus we have surrendered over our lives, all we are, all we have and will have to his rule. This is part of what Paul instructs in Romans 12 "...present yourselves a living sacrifice..." We shouldn't be counting anything as "our own," but considering ourselves as stewards of what we have been blessed to care for. This includes our income.

When we tithe we're not actually giving our money to God, but acknowledging it is His already, and that we have faith in His provision. In today's money driven world tithing can actually be one of our greatest acts of faith, and living by faith is our calling.

Paul evidently thought this important enough to quote Habakkuk at least three times in his letters. Tithing is our faith in action.

Behold, the soul of him is lifted up, and is not upright; but the just shall live by his faith.

- Habakkuk 2:4 MKJV
