GIVING TO GOD

from Jason Mitchener of Bible Money Matters

In the Old Testament, believers did not come to the temple to worship without an offering to give God. Indeed, their offerings were integral, or essential, to their worship of God. While we do not worship in the temple and are no longer required to offer sheep, doves, or grain, we should still regard giving as a wonderful way to worship God.

When I think of all that God has given me, I find that giving back to Him is my blessed obligation. Not only did God breathe life into me and give me a beautiful place in which to live, He also gave His Son Jesus Christ to die on the cross to pay the penalty for my sins. And by believing in Christ, God also gave His Holy Spirit to teach me, guide me, and comfort me. With all God has given me, how could I not give back to Him

One of the ways we can give back to God is through our finances. Giving money to support God's work is a joyous opportunity to participate in God's work. We can honor God through contributions to our church, missionary organizations, and various other ministries.

MEMORY VERSE

*Finally, brothers and sisters, whatever is true,
whatever is noble, whatever is right, whatever is
pure, whatever is lovely, whatever is admirable
—if anything is excellent or praiseworthy—
think about such things.
