From pastor Randy:

This week we'll look at how when we give to God and His work through the local church, it's something that we do together.

God loves unity in His people. Check out Psalm 133, and Jesus' prayer in John 17:20-23. Both passages talk about what happens when God's people are together. Good stuff happens!

In Psalm 133 it's the picture of God's first high priest, Aaron, getting ready to help the Israelites be reconciled to God – that's what the oil of anointing set him apart to do. And in the John 17 passage, Jesus says that when believers are in unity, the world starts to understand that the Father has sent the Son. That's how their sins can be forgiven!

So let's keep God first in our finances, and together we'll rejoice in what God is doing in lives – through His work at Warehouse. You and I have the blessing of being part of it!

those who hope in the Lord
will renew their strength.
They will soar on wings like eagles;
they will run and not grow weary,
they will walk and not be faint.
